WHAT ARE SNOW GLOBE ORNAMENTS?

"Snow Globe" ornaments are what I like to call quilted ornaments that have something special featured in the center.

Snow Globe ornaments are awesome because they let you showcase something on each side, like an event, date, picture, birthday.... anything that's special to you.

You can make them for Christmas, Easter, Fourth of July, and just about every holiday you decorate for.

You can also personalize them with names, dates, monograms, teams, logos, ANYTHING! You can make them for birthdays, weddings, anniversaries, Baby's 1st Christmas, 1st Christmas married.... anything you can think of.

Because of their limitless possibilities, they make the perfect gift – & one your recipient will not have received before.

I've created this Look Book for you, to give you ideas you can use throughout the year for your own Snow Globe ornaments.

I hope you enjoy!
